**6<sup>th</sup> Medicon International Conference on Advanced Medicine, Kolkata, 20-21 December 2019**

On behalf of Fellows and Members of the Royal College of Physicians of Edinburgh, I am delighted to send this message of support for inclusion in the conference book.

The Edinburgh College is proud to be involved once again in this joint initiative with Peerless Hospital & B K Roy Foundation and the Association of Physicians of India. We very much look forward to continuing this strong association in the coming years as part of our partnership support.

I am looking forward to visiting Kolkata again and to participating in the conference, together with a small delegation of RCPE speakers.

While my term of office as President ends in early 2020, I am sure this event will continue as a regular part of our College diary and joint initiatives.

With kind regards

Yours sincerely

**Professor Derek Bell OBE MD FRCPE  
President**
